

While Harbinger is initiating the locker minigame, it will still visually be in the room if you are not hiding (and are out of sight), and leaving cover will be an instant death.

Villains who came back from the dead and/or were revived to continue their evil ways or redeem themselves. As opposed to the undead this is for when characters are fully restored to their original...

Whatever the plot point for justifying your villain's redemption, you can create added depth to their motive by linking it to an old wound in his past (you can use Becca and Angela's Emotional Wound ...

Feast is much older than the typical villains they face and she inadvertently restores the guardian temple it destroyed over 170 years ago along with all the monks that were inside.

From a Single Cell: A character can reconstitute themselves even if they've been thoroughly destroyed, as long as a single piece of them remains. Gasp of Life: A character takes a deep breath and/or ...

To me I think it would be best to revive Klaw and resurrect him as some sort of android so that he'll look a little more in line with his comic's appearance

# A B C D E F G H I J K L M N O P Q R S T U V W X Y Z Other A Akumu The Nightmare Apocalypse (Marvel Animated) B Baraka C Candy Wendy Chucky Close E Ernie the Giant ...

So...what happens if her locker is moved, removed, or destroyed? Taylor has a very specific resurrective immortality that puts her right back in her locker in the condition she was when ...

The majority of the time, this is the wrong assumption. Rarely, it's the heroes' side who wants to resurrect the villain. Maybe they need the dead villain's power and/or knowledge to help the heroes ...

Superman & Lois could finally redeem the much-hated villain Nuclear Man, from Christopher Reeve's final Superman movie. With the CW show recently revealed to be existing ...
