

Who is Shanghai Alex solar energy science & technology?

With USD 20 million as first phase investment, Shanghai Alex Solar Energy Science & Technology Co., Ltd is dedicated to R&D, manufacture, sales and technical services of crystalline silicon solar modules, photovoltaic application systems and relevant products.

Where is Alex solar energy factory located?

Our factory is located only 50km away from pudong international airport (pvg) and is adjacent to A4 and a30 freeways. Shanghai alex solar energy science and technology Co.,Ltd. Got the certifications of ISO9001: 2000 quality management system and ISO14001 environment management system.

Who is Alex solar?

With business philosophy of "quality first & customer is god" and modern enterprise management approach, alex solar is dedicated to powering every household with renewable energy solutions. Focusing on long-term development, alex solar is willing to create an interactive and win-win cooperative mode with domestic and foreign partners.

What are the certifications of Shanghai Alex solar energy?

Shanghai Alex Solar Energy Science and Technology Co.,Ltd has passed the certifications of ISO9001-2000 Quality Management System and ISO14001 Environment Management System. The solar modules are manufactured strictly according to the standards of IEC61215 and IEC61730.

Shanghai Alex New Energy Co., Ltd. Solar Panel Series ALX-255M. Detailed profile including pictures, certification details and manufacturer PDF

With USD 20 million as first phase investment, Shanghai Alex Solar Energy Science & Technology Co., Ltd is dedicated to R&D, manufacture, sales and technical services of crystalline silicon solar ...

With first-class production equipments and high-standard main and auxiliary materials, Alex Solar manufactures high-quality solar products. At present, Alex Solar has a group of globally famous ...

Chaoxi Solar Energy Science and Technology Co., Ltd 738 Qigang Rd, Yangwang Economic Zone, Nanqiao, Fengxian District, Shanghai 201406, China tel: +86 2133617382 Fax: +86 ...

Shanghai Alex Solar Energy Science & Technology Co.,Ltd. is a high-tech enterprise engaged in the research and development, manufacture, sales, and technical support of crystalline ...

Explore top solar panel manufacturers in China, production centers, and decisions on sourcing the best solar panels made in china.

Meta description: Discover why Alaxan solar photovoltaic panels are transforming sustainable energy with 24.8% efficiency rates and innovative micro-inverter tech. Explore cost-saving benefits, real ...

Solar Panel Supplier, PV, Module Manufacturers/ Suppliers - Shanghai Alex Solar Energy Science & Technology Co., Ltd.

In recent years, solar energy has emerged as a pivotal solution to global energy challenges, particularly in China, the world's largest producer and consumer of solar panels. As the ...

China is a leader of reusable energy countries. And China has more than 80% market share in the world. Even though some best solar panels brands are from the US or Canada, or other countries, ...
