

Battery cabinet in Cape Town machine room

Why do you need a battery cabinet?

Proper housing is crucial for maintaining optimal performance and safety for your Uninterruptible Power Supply (UPS) batteries. Our cabinets are designed to provide a secure, organized, and temperature-controlled environment, essential for maximizing battery lifespan and complying with safety regulations.

What makes a good UPS battery cabinet?

It is important to find a UPS Battery Cabinet that can easily be configured and adapted to match your UPS Systems; plus your UPS Battery Cabinet should be flexible enough so that it can either be upgraded or fit into any future new projects. Features should offer space-saving features that will fit into the most compact UPS designs.
