

Kings 200Ah Lithium LiFePO4 Battery (Lithium Battery): 3.6 out of 5 stars from 4 genuine reviews on Australia's largest opinion site ProductReview .

Is anyone running the kings 200ah lithium batteries, and if so ...are they working up to expectations or specifications... Be wary that influencer opinions may not be objective, as they may ...

Hang Around For the results of this abusive test on the Kings 200ah Lithium Battery

I'm considering ditching 60+ kg of (good quality) AGM batteries for the Kings 200ah Lithium. It will need to run lights and a fridge, and an inverter for coffee machine and occasional ...

223 people that purchased Kings 12V 200Ah Deep Cycle Lithium LiFePO4 Battery Quality integrated BMS Long Life from 4WD Supacentre have rated it 4.4 out of 5.

The Adventure Kings 200Ah Deep Cycle Lithium battery is perfect for power hungry setups, including large fridges, camping lights, and inverters that will run your 240V appliances off grid.

Reading the specs of those batteries, the maximum continuous discharge current is 50A. In my opinion, a battery of that size should have at least 100A continuous discharge.

I generally steer clear of kings electrical gear but hard to pass the price of the 200ah lithium. I will be running a 2000watt inverter. Has anyone tried to pull 2000watts out of these 200ah batteries. EDIT: I ...

AFTER 1 ENTIRE YEAR using the Kings Lithium Battery, it's time to do my review, Is this a battery you should be buying for your 4wds 12v system, or is it just a big disapointment.
