

Built on over two decades of global R&D and manufacturing excellence, our solutions bring grid resilience and lower energy costs to homes, industries, and cities across Malaysia.

Discover Malaysia's solar battery storage opportunities for homes and businesses. Learn about residential battery backup, commercial BESS systems, and real GSL ENERGY installations.

We provide Energy Storage Solutions targeted at applications which require high power density, high energy density, extended lifetime with optimum size/weight requirements. Backed by the Malaysian ...

Ditrolic Energy is at the vanguard of Malaysia's transition to sustainable energy, offering versatile Battery Energy Storage System (BESS) solutions. These systems are not just stand-alone; ...

Website designed by Midaz Orion.

Explore our Battery Energy Storage Systems (BESS) to store solar power, boost reliability, cut peak costs, and support Malaysia's renewable future.

Our solar battery storage systems are designed for SELCO (self-consumption) and off-grid use, allowing users to generate, store, and use their own solar energy independently. With the right system design, ...

The H10GP-M-30K40 delivers 30kW of solar generation and 40kWh of storage, housed in a 10ft mobile foldable container. Using high-efficiency 480W panels, it's engineered for mid-size off-grid needs like ...

The first established oversea subsidiary of Loop Inc - who is one of the leading & fast growing solar energy solution and BESS companies in Japan since 2011.

Everything Malaysian businesses need to know about Battery Energy Storage Systems (BESS). Read the full guide now.
