

Can I get a greener energy upgrade with Ovo Energy?

For example, you can add its Greener Energy upgrade to any plan: for any electricity you use in your home, OVO will buy 100% renewable energy from traceable sources to feed back into the grid. What tariffs can I get with OVO Energy? What add-ons and extras can I get with OVO Energy? Already an OVO Energy customer? on their energy bills.

How many customers does Ovo Energy Supply?

As of the end of June 2025, it supplied 12.2% of the UK's electricity customers and 10.4% of the UK's gas customers. OVO Energy's plans focus on fair pricing and helping customers understand their carbon footprint.

What are Ovo Energy's tariffs?

OVO Energy's tariffs focus on fair pricing and helping customers understand their carbon footprint. As well as a selection of fixed and variable tariffs, there's quite a few options if you're looking for greener, more environmentally-friendly plans.

Does OVO offer a one-year fix for energy prices?

Almost every household has been charged the same price for their energy over the last year under the Energy Price Cap (EPC) and the Energy Price Guarantee (EPG), with no cheaper fixed deals to switch to. That has now changed, with Ovo launching a one-year fix for existing customers that undercuts the EPG level of £2,500 a year.

Compare OVO Energy tariffs & prices and switch to a cheaper energy deal at The Energy Shop. Full OVO Energy review & company information.
