Which EnergySage solar panel is best?

REC is a longtime favorite among EnergySage shoppers, probably because of its relatively low price per watt and impressive specs. Out of our top brands, REC offers the best bang for your buck: The Alpha Pure 410-watt panel maintains efficiency above 22%, and it has solid 25-year performance and product warranties.

What is a good solar panel efficiency?

Efficiency is how much energy a solar panel can convert from the sun into usable energy for your home. The higher the efficiency, the better the panel, which is why solar panels with an efficiency of 22% or more score the best in this category.
